AMENDMENT UNDER 37 C.F.R. § 1.111
U.S. Application No.: 10-670,005
Attorney Docket No.: Q77667

Still further, in Paragraph 8 of the Office Action, the Examiner sets forth a description of what she considers to be allowable subject matter. In particular, the Examiner states that a device containing a compound of formula (I) wherein R^{11} is substituted, R^{12} is substituted, Y^{11} , Y^{12} and Y^{13} are each substituted carbon, M (M^{11}) is iridium, L (L^{11}) is 2-phenyl pyrrole, n^{11} is 1, n^{12} is 2 and n^{13} is 0 is considered to be allowable subject matter.

Accordingly, applicants have added new independent claim 21 based on the Examiner's description of allowable subject matter. Applicants note that new claim 21 states that L^{11} is a 2 phenyl pyridine, as applicants believe that this is what the Examiner intended.

In view of the above, applicants submit that the claims that are now in the application are allowable over the cited prior art and accordingly, request withdrawal of these rejections.

In view of the above, reconsideration and allowance of this application are now believed to be in order, and such actions are hereby solicited. If any points remain in issue which the Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned at the telephone number listed below.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.

Respectfully submitted,
